Uinta Basin IPP document draft 1-14-2015 CKB.DOCX

P.S. I meant to add something in the IPP about how the UB EI would use/interface with other EPA tools like MOVES and SPECIATE ...

Here's a few cents worth and many questions – I apologize if my lack of knowledge on CAA requirements for EIs is getting in the way here.

Cindy,

Sorry it took me so long to get back to finishing my review of Mark's draft IPP. Attached is a draft IPP (clean) for your review that contains edits/inputs from Jody, Gail T. and myself. I told Patrick that we would send him a draft next week. I would think no later than Thursday, January 22nd. Does that work? Please send your edits to all of us. Thanks.

Mark – I have one question in the attached for you.
